

CURSILLO NEWSLETTER OF THE DIOCESE OF BELLEVILLE

**THE EVANGELIZER****September 2019****New Website: www.BellevilleCursillo.org****FROM THE SPIRITUAL DIRECTOR** DEACON WAYNE WEILER

May God, the source of our hope, fill your hearts with peace as you believe in Him. *Romans 15:13*

We all have those times in our lives when things just seem to be in turmoil, or we are preoccupied over some conflict or task that seems to use up too much of our energy. In a fast-paced world, where taking time to slow down isn't in keeping with meeting the demands of the day, turmoil and conflict can take hold of our daily agendas. It is in these times when we need an example of a disciple at peace, a witness of trust. We have such an example in Mary. Her heart was filled with peace as she put her total trust in God.

The Second Vatican Council teaches us that Mary, "While leading an ordinary life among men, one filled with family concerns and labors, she was always, and constantly united to her Son, and cooperated singularly with the work of the Savior in a manner altogether special." (*Decree on the Apostolate of the Laity, No 4.*)

In this Marian month of October, we turn to Our Lady of the Rosary for her constant help and source of peace. The rosary gives us a quick study on the Gospel of Christ, and a reminder of who brought God's saving grace to the world. In her life she was at peace in her unwavering care and devotion to her Son, even at the foot of the cross—***without question, that's peace in time of turmoil and conflict!*** Let us never cease asking for her intercession to the one who is the Prince of Peace. There's Palanca in every bead.

De Colores!

FROM THE LAY DIRECTOR ROBERT MCCORMACK

In the last Evangelizer, I mentioned new guidance being downward directed to the Cursillo Movement by Eduardo Bonin and his staff in Mallorca. These updates are aimed at aligning the US Cursillo with the original Cursillo concepts put in place 50 years ago, which was to bring people closer to God through mutual support and friendship. We appreciate how this strikes a sensitive cord with many of us who are very passionate about Cursillo. We have had long and thoughtful conversations in the School of Leaders and Secretariat meetings concerning how to handle these issues. Some parts of the Weekend have been deemphasized or eliminated in favor of increased time or emphasis on other parts. For example, we will no longer have a Cursillo theme and poster. Cursillo is the theme and the poster is the same picture of Jesus that is in the office of Eduardo Bonin. The Weekend will now allow more time for spiritual direction and reflection. Plans to meet and know candidates prior to the Cursillo will be made. Candidates will become Cursillistas and receive their crosses earlier in the Weekend to emphasize that we are all Cursillistas and one body in Christ. Cheryl Rajski, the Rectora for the next Women's Cursillo, which will be held October 24-27, 2019, at the King's House, has been leading the effort to identify the new Step-by-Step procedures and how to include them in the Cursillo Weekend Schedule and activities.

At the local level, we are in the process of moving the Weekends from the spring to the fall. Relocation to the fall was made because support from priests and deacons during Lent and Easter has been increasingly difficult. This move has received strong support by nearly everyone. As a part of the change in season, we also have considered a change in venue from ASC Ruma to the King's House. We currently have Cursillos scheduled at both the King's House and at ASC Ruma for the fall of 2020. Terry Kostel, the Three-Day Chair, and I have had some very positive discussions with the ASC Leadership in Ruma about hosting our Cursillos. They have offered some good suggestions on how we can better use their facilities. In addition, the feedback from the Women's Cursillo, which will be held at the King's House this October, will help to finalize the decision on location. The Cursillo Weekend venue is still an open issue that will require further discussion.

I ask the entire Cursillo community to keep an open mind. The road ahead has been well thought out and approached with caution and should have a positive effect on our Cursillo program in the future.

Love, Joy, Peace, and De Colores!

PALANCA BOBBI SCHAEFER

October...probably the most prayer-full month on our calendar - Month of the Holy Rosary, Pro-life month, with a 40-day Rosary Novena for Life, and now we have a Cursillo Weekend on the schedule.....

We have so MUCH to pray about that we CANNOT afford to slack off about these important issues including, of course, all the personal intentions we carry close to our hearts...

What is it that we are told when we are welcomed into the Cursillo family? "Christ is counting on you." And our reply.... "And I on Him." Well....CAN He count on you to be praying for these things that are close to HIS Heart?

Make this month a time to really dig into your prayer life, bringing every spoken and unspoken need and desire to Our Sweet Lord. And you know what... you CAN count on Him!!!

And if ALL the items seem to be too much, focus on the one closest to your heart and offer all your prayers for that....God WILL hear you!

God IS good....ALL the time!

De Colores, and Blessings!

POSTCURSILLO JOHN AND BERNADETTE CHARLTON

We had a wonderful Day of Recollection on September 22 at Saint Peter's Cathedral in Belleville as we celebrated the 75th Anniversary of the Cursillo Movement. Special thanks to our musicians for leading our songs of praise and thanksgiving. Our focus was on the Spiritual Testimony of our founder, Eduardo Bonnin and aligning our Belleville Cursillo with the original Cursillo in Mallorca, Spain. Four rollos were presented: Precursillo, Cursillo, and Postcursillo (the three parts of the Step-by-Step process), and Foundational Charism of the Cursillo Movement.

Foundational Charism of the Cursillo Movement: A charism is a spiritual gift or talent granted by God to the recipient not primarily for his own sake but for the benefit of others "in order to perfect the saints for a work of ministry, for building up the body of Christ." The recipient of the Cursillo charism was Eduardo Bonnin. Cursillo has been officially recognized as a Catholic Movement. (Movements in the Catholic Church are groups of church members following a specific spirituality given to them by their founders.) In 1998, Saint Pope John Paul II invited all Movements to return to their roots and discern the mentality of their founders. US. Cursillo has been working on "returning to our roots" for the past 20 years, culminating in the publishing of the spiritual testimony of Eduardo Bonnin's Step-by-Step documentation of the Cursillo Movement.

Precursillo: The Cursillo in Christianity Movement is based upon friendship. Cursillo is a witness of Christ offering His friendship. Everything that we are called to be in Cursillo is through friendship with others. When speaking of Precursillo, we initially think of those people who can, who should, or who should not live the experience of Cursillo. The first point of reflection in Precursillo needs to be directed to sponsors: those Cursillistas who invite others to live the Cursillo experience. Equally important is the group of leaders who will serve in the Cursillo. The witness of the sponsors and the leaders who organize the Cursillo are extremely important in the Precursillo. The witness of those who invite, and the work of the leaders are like that of the sower. The sower prepares the ground and takes care of the seed. The seed will produce fruit if it falls on fertile ground. This work of the sower is of crucial importance. There is a renewed emphasis on sponsors and their critical role in Cursillo.

Three-Day Cursillo: There will be a few changes in how we execute the actual weekend. But it's worth noting that most of the things that we have done in the past will stay the same. For example, there are still 15 rollos...but there are a few minor differences within a few of them. Perhaps the most

significant update to the weekend is a simplified schedule. Giving new Cursillistas more freedom and more time to reflect is being emphasized. Closing has also been adapted a bit. Our Rectora for our next Women's Weekend in October, Cheryl Rajski, has spent months pouring over this new guide and preparing the way for this event.

Postcursillo: Postcursillo is meant to continue the process begun during the Cursillo ... that of being converted and living out what is fundamental for being a Christian. We are to renew, accelerate and continue our conversion, and consequently provide a continuous transformation of the environments of our lives. Two specific tools were developed to ensure the success of Postcursillo: Group Reunion and Ultreya. Group Reunion is a continuation of one's living and sharing the love of God and neighbor through friendship. Cursillos are made so that there will be people who can make Group Reunions. Sponsors are responsible for placing new Cursillistas in Group Reunions where the tripod of piety, study and action are carried out.

It is great to sponsor and bring people to the Weekend, but if we don't continue the friendship after the Weekend, we leave them high and dry and their environments may remain unchanged. Pope Francis in his book, "Joy of the Gospel," encourages us to express our energy and joy when we evangelize in order to bring others to the Joy of the Gospel. Pope Francis reinforces the path of friendship, "this ardent desire for friendship with God" and tells us "it is about going out, but without fatigue, towards extending the relations of friendship, which can result in evangelizing the faraway."

There will be two very special Fourth Day events on Sunday, October 27:

Mañanitas

Las Mañanitas is a Spanish folk song. In the Cursillo tradition, it is sung as an early morning serenade to the new cursillistas on the last day of the Cursillo. Mañanitas has been an essential part of Cursillo for over fifty years and is being reintroduced to the US Cursillo Movement. This is a wonderful form of Palanca from our Fourth Day to our newest Cursillistas, providing an experience that most new Cursillistas will remember forever. Our Fourth Day community will gather in the parking lot at the King's House at 7:10 a.m. on Sunday morning and will process to the chapel while singing. Music will be provided. Please come dressed in bright, Cursillo colors!

Closing of the Belleville Women's Cursillo #42

Please meet in the parking lot at King's House by 4:40 p.m. The stewards will guide you to the side door of the chapel. There is no need to bring any food or beverages as sandwiches and drinks will be provided. All you need to bring is your spirit of charity and hearty appetite!

If you are in need of joining or starting a Group Reunion, your sponsor should be able to assist you. However, we are also here for you. We can be reached at charltonba23@gmail.com or (402) 578-5198. De Colores!

SCHOOL OF LEADERS JOHN SCHABERG
--

We have learned some new words in School of Leaders this summer! It **IS a School**, right?

One of those words is “Mañanitas!” Another word we knew before, but failed to appreciate, is “Charism.” Now, why are these words important? The Cursillo Movement in our Diocese is **changing for the better** – to reshape our Fourth Day to fit **the original “Charism” of Eduardo Bonin** - the gifts he was **given by the Grace of God**, and the gifts he **shared with the Church** in the Cursillo Movement about 75 years ago. To meet his original vision, **we are adapting** our Three-Day Weekend, our Precursillo and Postcursillo in compliance with guidance from the National Cursillo Secretariat. It is eye-opening to see how much deeper and more meaningful our Movement can be – beyond candlelight dinners and stand-up art critics!

So . . . “Mañanitas?” (Midwestern pronunciation: mon -ya- nee- tas) You’ll just have to pay attention and join the Fourth Day in an early morning (rooster-crowing early!) serenade to our newest Cursillistas on **Sunday, October 27, at 7:10 a.m. at King’s House Retreat Center**. We’ve never tried this before, but, believe it or not, this is a part of the Weekend that impressed Mr. Bonin as part of the Charism of Cursillo. Watch your “PrayersRequested” emails for details.

Our **School of Leaders** will meet **on October 8, and November 12, 2019, at 7 p.m. at St. Joseph’s Parish in Freeburg, IL**. Please join your fellow Leaders in these challenges!

Romans 1: 12: *“What I mean is that both you and I will be helped at the same time, you by my faith and I by yours.”*
